

York LadyRevs

York Young Revolution

Dear Sponsor:

The **LadyRevs** is a girls softball program within the York Young Revolution, a non-profit organization that supports competitive travel softball and baseball for youth players in York County. The York Young Revolution is sponsored, in part, by The York Revolution, the minor-league baseball team. On behalf of The **LadyRevs**, I am reaching out to ask you to partner with The York Revolution in sponsoring our team for its 2025-2026 season.

The Young Revolution has been training baseball and softball players for years, preparing them for the challenges of NCAA college competition. This training includes preparation for success on and off the field. As a volunteer run organization, The **LadyRevs** operates a year-round program. Continued support from sponsors and businesses is critical to maintain the program and pay the expenses associated with playing ball.

The **LadyRevs** offers teams available for the various age groups, (12U, 14U, 16U, and 18U). In our 2025-2026 season, there are **37** girls in our program looking to continue their athletic careers on the softball diamond. Their athletic achievements are showcased during the competitive travel tournaments throughout the Mid-Atlantic region. Each of our teams plans to attend 10 tournaments during this season. Your partnership makes this happen. See pictures of the girls on our website, www.yorkladyrevs.com.

Your tax-deductible sponsorship includes many benefits within The York Revolution for the 2026 season. Benefits can include a wall sign at The York Revolution stadium, WellSpan Park, that can be seen by its 200k visitors a year. Additionally, benefits also include access to stadium suites, vouchers for game tickets, and your company logo on player jerseys.

The Young Revolution and The **LadyRevs** have been helping to create successful youth athletes for decades, building athletes that learn to perform as young adults, and achieve their collegiate dreams. We appreciate your consideration and look forward to your support.

Anne Rivers
York LadyRevs
